

# 2023 Proposed Congressional Map

House & Senate Democratic Caucuses December 4, 2023

## Court Mandate

**Add 1 Black majority district in south-metro Atlanta without eliminating any minority opportunity districts**

## Fair Districts GA assessment

A remedy map should meet the Court's mandate without making any other unnecessary changes. We oppose mid-cycle redistricting, the practice of changing maps between decennial censuses for political gain.

We ask 2 key questions:

- Does the map implement the remedy required by the Court by adding Black majority districts? (Note: The Court may use additional criteria to judge compliance beyond basic demographics.)
- Does the map contain other changes, unrelated to the prescribed remedies, affecting partisan balance or competitiveness of districts?

Comparison of proposed remedy map to 2021 enacted map					
Characteristic		2021 Enacted map	Proposed Map	What’s changed?	Pass/Fail
Racial Demographics	Black majority districts (>=50% BVAP*)	2	3	Added CD6	Complies with court mandate  ✓
	Black influence districts (37%-50% BVAP)	2	2	No change	
	Minority-majority districts**	5	6	Added CD6	
Partisan Balance***	Republican districts	9	8	New BVAP CD6 added as Democratic district	No unnecessary changes for partisan gain  ✓
	Democratic districts	5	6		
	Competitive districts (46.5-53.5% partisan balance)	0	0	Still no competitive districts	
Total districts changed 8/14=57% Total population moved between districts = 25.4%					

\* BVAP = Black voting-age population, Black / African American + Black & Hispanic

\*\* Minority-majority = non-Hispanic white population <50%

\*\*\* Partisan balance estimated based on 2018-20-21 major statewide elections

## What is a Fair Map?

Fair maps are an essential component of Free and Fair Elections. Fair Districts GA Foundation believes that maps should:

- Reflect the natural political preferences of voters distributed across the state
- Allow for competition
- Reflect Georgia's diversity by providing sufficient minority-majority opportunity districts and complying with the Voting Rights Act
- Preserve minority influence districts
- Honor communities of interest

Fair Districts GA Foundation is a non-partisan, non-profit organization that works to encourage a fair and transparent redistricting process in Georgia. Last revised December 4, 2023.
